How to get on the Montebello ARCGIS Web Map

The screenshot shows a web browser window displaying the ArcGIS web map for Montebello. The browser's address bar contains the URL: arda.maps.arcgis.com/apps/mapviewer/index.html?webmap=85e883207ac44ee4a8abe920527d6818. The page title is "Montebello District Comparison Tool".

On the left side, there is a legend titled "Montebello Demographer Draft 1" with a close button (X). The legend lists five districts with corresponding color swatches:

- District 1 (Red)
- District 2 (Blue)
- District 3 (Green)
- District 4 (Purple)

The map itself shows these districts overlaid on a street map of Montebello and surrounding areas like Whittier Junction and Pico Rivera. A blue arrow points from the legend's close button to a green callout box that says: "Click out of the legend by clicking the x."

Another green callout box on the right side of the map contains the following text:
