MONTEBELLO FIRE DEPT

Currently, the Montebello Fire Dept charges a flat rate of \$112 per annual inspection of existing businesses and multi-family dwellings (R2 occupancy class). This is regardless of property size, duration of the inspection, or the number of violations that appear on the report.

All property owners are given a free reinspection if there are any corrections necessary on the initial report. However, second (and all subsequent) reinspection's will incur the \$112 fee.

Inspection Timeline

Re-inspections will continue until all violations are corrected
